### TOP-NOTCH SUPPORT IS JUST A CALL OR CLICK AWAY

Sage FAS SupportPlus members benefit from an unmatched level of customer support. You can use Sage FAS SupportPlus Online to get answers 24 hours a day, 7 days a week. Or call our friendly experts for help. What's more, Sage FAS SupportPlus users can also download software upgrades, access multimedia tutorials, and take advantage of exclusive discounts on new products.

With extended features and an advanced database platform, FAS Canada 500 Asset Accounting is the right choice for Canadian companies that manage large numbers of fixed assets.

Gain greater flexibility, scalability, enhanced history tracking and faster processing times with FAS Canada 500 Asset Accounting. This robust solution delivers the same dependable depreciation calculations, financial reports, and detailed asset management as FAS Canada 100 Asset Accounting, but leverages the power of Microsoft® SQL Server to offer you a scalable client/server architecture. The result? Maximum performance and scalability with advanced features and processing speed. If you run a larger business or have a large quantity of fixed assets that you need to manage, FAS Canada 500 Asset Accounting gives you the advanced functionality of a SQL server environment to get the job done effectively and efficiently.

If you manage over 10,000 fixed assets, FAS Canada 500 Asset Accounting is simply the ideal solution for your business. It has the ability to powerfully integrate with all major accounting systems and delivers faster processing times with Windows Server™ and Microsoft® SQL infrastructures. You'll enjoy advanced functionality with seven books all visible on one screen including two user-defined custom books, alternative accounting periods such as 13 period, 52/53 week, 4/4/5, 4/5/4, or 5/4/4 accounting, and a fully customizable data entry screen that includes field names, lengths, pictures, and prompts. When it comes to meeting your robust fixed asset accounting needs, FAS Canada 500 Asset Accounting delivers the capacity that only a scalable client/server architecture can provide.

From developing innovative products to providing award-winning customer support, Sage Software is dedicated to surpassing expectations in all aspects of our business. For more information about Sage FAS Canada 500 Asset Accounting, please call us toll free at 866-846-1176, or visit our Web site at [www.sagefascanada.com](http://www.sagefascanada.com). Sage customer service representatives are standing by to provide you with top-notch products and service.

# FAS Canada 500 Asset Accounting

*"It's nice to know that Sage Software has a staff of CPAs and experts that are constantly monitoring and interpreting new tax rules. With FAS Asset Accounting, all I have to do is install the software update to know that I am in full compliance with the latest tax legislation."*

Dan Leider, Senior Accountant  
Bell & Gossett

## Advanced Customization
