

FAS Report Writer

A member of Sage FAS Canada — an integrated fixed asset management solution.

FAS Report Writer gives you total control over the format, appearance, and context of all your depreciation and asset management reports. FAS Report Writer lets you create professional, custom reports instantly, to save and reuse whenever you wish. What's more, you can even share fixed asset data with other programs using the built-in ASCII and spreadsheet exports. Enjoy custom reports and data integration—all in one easy-to-use, point-and-click system.

- Installation & Implementation
- Fixed Asset Data Conversions
- Custom Report Writing Services
- Product Upgrades

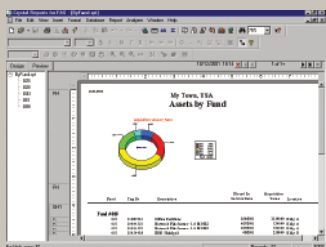

Complete flexibility with unlimited reporting possibilities.

- Handle any volume of data, up to 999,999 assets in a single report
- Select any FAS Canada Asset Accounting data field you want to use as a column heading
- Choose the range of assets you want to include in your report—you can even specify a wildcard entry which will search the database for a partial match of what you're looking for
- Determine the way you want to subtotal and group the data in your reports—you'll have an unlimited number of sorts and subtotals

(over, please...)

FAS Report Writer

Provides unlimited options for creating your own financial reports.

- Create an unlimited number of columns which can be designed to hold the results of calculations based on other fields and columns, or on your own custom formulas
- Store report templates for future use or editing
- Use visuals to make your fixed asset data stand out—create graphs using Sage FAS Canada data, or copy and paste existing graphics
- Export data to Excel, Lotus, Word, WordPerfect, ASCII files, and more
- Save report definitions to use for future reports or share with other users, saving hours of valuable time
- Enjoy unlimited possibilities for any type of report—including Consolidated, Summary, and Asset Insurance

The Sage FAS Canada family includes:

- Sage FAS Canada Solutions
 - FAS Canada 100 Asset Accounting
 - FAS Canada 500 Asset Accounting
 - FAS Report Writer
